Carvana customers can save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. As the pioneer of online car buying, Carvana gives customers a high-definition, 360-degree

virtual tour of every vehicle, inside and out. Carvana vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page. Carvana also never adds hidden, last-minute fees and charges like "documentation fees."

Customers can also trade in or sell a vehicle by simply entering their VIN or license plate number on [Carvana.com](#) and answering a few questions, and Carvana can pick the vehicle up and bring them a check, as soon as the next day.

Carvana gives customers an upgrade to the traditional test drive, with all 45,000+ vehicles in its national inventory including a 7-day return policy, ensuring customers have time to determine if the vehicle is the right fit for their needs. By living with their vehicle for a week, customers can see how their newly purchased crossover's trunk space fits the bikes for a trip to the Boise River Greenbelt, or try out the bed of their new pickup truck at a Boise State Broncos tailgate.

"We look forward to changing the way people buy and sell cars in our newest state," said Ernie Garcia, Carvana founder and CEO. "We're confident Boise will appreciate the ease and convenience we offer, as well as Carvana's great selection of vehicles, at great prices, with great customer service."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 308 cities across the U.S.
