Carvana customers can save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. As the pioneer of online car buying, Carvana gives customers a high-definition, 360-degree virtual tour of every vehicle, inside and out. Carvana vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page. And Carvana never adds hidden, last-minute fees and charges like "documentation fees."

Customers can also trade in or sell a vehicle by simply entering their VIN or license plate number on [Carvana.com](#) and answering a few

questions, and Carvana can pick the vehicle up and bring them a check, as soon as the next day.

An upgrade to the traditional test drive, all 55,000+ vehicles in Carvana's national inventory come with a 7-day return policy, giving customers peace of mind and time to ensure their vehicle fits their life. Customers can pack up the fishing poles and tackle boxes and head to the Conservation Nature Center for the day, or hit the open road and see how their ride handles I-55 on a weekend trip to St. Louis.

"Today's launch in Cape Girardeau offers even more residents in Missouri an unbeatable selection of cars, at great prices, in their driveways as soon as the next day," said Ernie Garcia, Carvana founder and CEO. "We're

confident area residents will embrace the ease, convenience and great customer service we've become known for."
