Carvana can save customers valuable time and money, allowing them to skip the dealership and shop online from the comfort of home or on the go via their mobile device. Vehicles come with a seven-day return policy and this upgrade to the traditional test drive gives customers the time to ensure their vehicle fits their life, whether it's tailgating for a Razorbacks game or seeing how today's new car tech features fits the family's needs.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answering a few questions, then Carvana can pick up the vehicle and bring them a check, as soon as the next day.

Carvana pioneered online car buying, including its patented 360-degree virtual vehicle tour, where customers can view vehicles in high-definition, 360-degree photography, inside and out. Carvana vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

"Growing our footprint in Arkansas helps us bring The New Way to Buy a Car® to even more customers looking for an easy, transparent car buying experience," said Ernie Garcia, Carvana founder and CEO. "We look forward to offering as-soon-as-next-day delivery of our national inventory to Fayetteville area residents."

Carvana now offers as-soon-as next-day vehicle delivery to customers in 304 cities across the U.S.
