Carvana customers can save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. As the pioneer of online car buying, Carvana gives customers a high-definition, 360-degree

virtual tour of every vehicle, inside and out. Carvana vehicles have passed a rigorous, 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page. Carvana also never adds hidden, last-minute fees and charges like "documentation fees."

All 70,000+ vehicles in Carvana's national inventory come with a seven-day return policy—an upgrade to the traditional test-drive—ensuring customers' peace of mind while they determine if the vehicle fits their lifestyle. By living with their vehicle for a week, customers can test out the cargo space for their next Iowa State Cyclones tailgate, or confirm the fuel efficiency on their daily commute.

Customers can also trade in or sell a vehicle by simply entering their VIN or license plate number on Carvana.com, answering a few questions, and Carvana can pick the vehicle up and bring them a check, as soon as the next day.

"As we continue growing our presence in Iowa, we're looking forward to bringing Ames a great selection of cars at great prices," said Ernie Garcia, Carvana founder and CEO. "We've seen high demand from area residents and believe the community will embrace all the benefits that come with The New Way to Buy a Car®."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 313 cities across the U.S.
