Carvana customers can save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. Carvana allows customers to shop for vehicles in the budget that works best for them, and never adds hidden, last-minute fees and charges like "documentation fees." To

give customers the peace of mind and time to confirm that their vehicle fits their needs, all 70,000+ vehicles in Carvana's national inventory come with a 7-day return policy. This upgrade to the traditional test drive allows customers to live with their vehicle for a week, ensuring there's time to test a new ride's cargo room during a Lumberjacks tailgate, or pack up all the gear needed for a day at Snowbowl with the family.

Carvana gives customers a high-definition, 360-degree virtual tour of every vehicle, inside and out. Carvana Certified vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page.

Customers can also trade in or sell a vehicle by simply entering their VIN or license plate number on Carvana.com, answering a few questions, and Carvana can pick the vehicle up and bring them a check, as soon as the next day.

"We look forward to expanding our offering to Flagstaff residents and bringing our robust national inventory of affordable vehicles to the area," said Ernie Garcia, Carvana founder and CEO. "We're confident Flagstaff will appreciate the ease, convenience, and value that comes with purchasing your car online and having it delivered to your doorstep as soon as the next day."
