Carvana Customers save valuable time and money with The New Way to Buy a Car™ by skipping the dealership and shopping online at [Carvana.com](https://www.carvana.com). All 15,000+ vehicles in Carvana's national inventory are photographed in 360

degrees, so customers get a high-definition virtual tour, along with the peace of mind of a 7-day return policy. This upgrade to the traditional test drive gives customers the time to ensure their vehicle fits their life, from installing car seats to seeing how it handles on a road trip to Kings Canyon National Park.

Every Carvana vehicle is Carvana Certified, meaning it has undergone a rigorous 150-point inspection, has no frame damage and has never been in a reported accident. Features, imperfections and updated information about open safety recalls are listed on the car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or plate number on [Carvana.com](https://www.carvana.com), answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"California residents have welcomed us since 2017, when we first launched in the state," said Ernie Garcia, founder and CEO of Carvana. "As demand increases for an easy, transparent car buying experience, we're confident that Hanford area residents will appreciate our presence in the market."

Carvana now offers as-soon-as-next-day vehicle delivery in 156 markets across the U.S.
