Carvana can save customers valuable time and money by skipping the dealership and shopping from the comfort of home or on the go via their mobile device. Carvana vehicles come with a seven-day return policy, giving

customers the peace of mind and time to ensure the vehicle fits their life. If you want to see how the vehicle handles wet roads or test out the tech features during a commute, it is an upgrade from the traditional test drive.

Carvana pioneered online car buying, including its patented 360-degree virtual vehicle tour, where customers can view vehicles in high-definition, inside and out. Carvana vehicles are Carvana Certified, having passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.
