Carvana can save customers valuable time and money, allowing them to skip the dealership and shop from the comfort of home or on the go via their mobile device. Carvana vehicles come with a seven-day return policy, giving customers the time to ensure the vehicle fits their life. This upgrade to the traditional test drive means customers can take their time to see how the car maneuvers in small spaces or if the console space is compatible with everyday essentials.

Carvana pioneered online car buying, including its patented 360-degree virtual vehicle tour, where customers can view vehicles in high-definition, inside and out. Carvana vehicles are Carvana Certified, having passed a rigorous 150-point inspection, have never been in a reported accident and

have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"Our expansion to Ogden allows us to schedule as-soon-as next day vehicle deliveries to even more Utah residents and bring new customers great prices and a great selection, 100 percent online," said Ernie Garcia, Carvana founder and CEO. "We look forward to serving Ogden area residents and bringing the ease and convenience of The New Way to Buy a Car® to the community."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 279 cities across the U.S.
