"We couldn't be more thrilled to partner with Jimmie and LEGACY M.C. for a second season," said Ryan Keeton, Carvana Co-Founder and Chief Brand Officer. "Jimmie is not only the true embodiment of a champion, as recognized by his Hall of Fame induction this year, he is also a leader on and off the track and we can't wait to see what he accomplishes this season."

For the 2024 racing season, Johnson will compete in three key races this year with Carvana on the hood of his No. 84 Toyota Camry XSE: the season-opening Daytona 500, the Brickyard 400 at the historic Indianapolis Motor Speedway and the season finale at Phoenix Raceway.

"I'm so proud to represent Carvana for a second NASCAR season, and our fourth season overall as partners, at some of my favorite races," said Johnson. "Carvana is a fun brand that captures the joy of cars and racing and they do a great job leveraging their partnership with LEGACY M.C. I'm excited to have a shot at another Daytona 500 trophy in our new Toyota Camry XSE's and the paint scheme is sure to be a fan favorite."

This season Carvana's paint schemes will honor the legacy Johnson has built across his NASCAR and IndyCar career with three unique designs. Carvana will unveil the Daytona 500 paint scheme before the start of the 2024 season in February.
