Carvana customers save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. And Carvana never charges hidden, bogus fees like "documentation fees," which can often be

added to the price of a vehicle at the last minute.

All 20,000+ vehicles in Carvana's national inventory are photographed in 360 degrees, so customers get a high-definition virtual tour, along with the peace of mind of a 7-day return policy. This upgrade to the traditional test drive gives customers the time to ensure their vehicle fits their life, whether taking it on your weekly grocery run or confirming how your new-to-you [Jeep Wrangler](#) handles your next trip to the southern tip of the Franklins.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"We are confident El Paso residents will enjoy the ease and convenience of The New Way to Buy a Car®," said Ernie Garcia, founder and CEO of Carvana. "We look forward to now offering as-soon-as-next-day vehicle delivery to El Paso area residents, and increasing our presence in a state we have proudly been serving for more than five years."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 272 cities across the U.S.
