Carvana Customers save valuable time and money with The New Way to Buy a Car™ by skipping the dealership and shopping online at [Carvana.com](#). All 15,000+ vehicles in Carvana's national inventory are photographed in 360 degrees, so customers get a high-definition virtual tour, along with the peace of mind of a 7-day return policy. This upgrade to the traditional test drive gives customers the time to ensure their vehicle fits their life, whether installing car seats or seeing how it handles on a road trip to the river.

Every Carvana vehicle is Carvana Certified, meaning it has undergone a rigorous 150-point inspection, has no frame damage and has never been in a reported accident. Features, imperfections and updated information about open safety recalls are listed on the car's vehicle description page.

In addition, customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or plate number on [Carvana.com](#), answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"As we grow our presence in Minnesota, Mankato plays an important role in bringing our easy, transparent car buying solution to more and more customers," said Ernie Garcia, founder and CEO of Carvana.
