Carvana customers can save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. As the pioneer of online car buying, Carvana gives customers a high-definition, 360-degree

virtual tour of every vehicle, inside and out. Carvana vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page. Carvana also never adds hidden, last-minute fees and charges like "documentation fees."

All 30,000+ vehicles in Carvana's national inventory come with a seven-day return policy; an upgrade to the traditional test-drive. This ensures customers have time to determine if the vehicle fits their needs. By living with their vehicle for a week, customers can see how their newly purchased SUV's cargo room handles all the necessary gear for a Huskers tailgate, or install bike racks and find one of Lincoln's many trailheads.

Customers looking to make a change can also trade in or sell a vehicle by simply entering their VIN or license plate number on [Carvana.com](#), answering a few questions, and Carvana can pick the vehicle up and bring them a check, as soon as the next day.

"Providing as-soon-as-next-day delivery to Lincoln unlocks a national inventory of great vehicles, at great prices, with great customer service, to our second market in the Husker State," said Ernie Garcia, Carvana founder and CEO. "We look forward to serving the Lincoln community with an easy, transparent car buying and selling experience."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 301 cities across the U.S.
