Carvana pioneered online car buying, including its patented 360-degree virtual vehicle tour, where customers can view vehicles in high-definition, inside and out. Carvana vehicles are Carvana Certified, having passed a rigorous 150-point

inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Carvana can save customers valuable time, allowing them to skip the dealership and shop from the comfort of home or on the go via their mobile device. Carvana vehicles come with a seven-day return policy, giving customers the peace of mind and time to ensure the vehicle fits their life. Whether you are checking to see if there is enough cargo space for your weekly grocery store run, or comfortable seating for a weekend trip to New Orleans, it's an upgrade to the traditional test drive.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"We made our debut in Louisiana earlier this year and are pleased we can continue growing our presence in the Pelican state," said Ernie Garcia, founder and CEO of Carvana. "We look forward to bringing The New Way to Buy a Car® to Houma area residents and empowering them to make their next vehicle purchase on their own terms."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 287 cities across the U.S.
